CHAMP

CRICKET HELMETS

CHAMP ELITE

CRICKET HELMET

- Polypropylene highimpact resistant outer shell
- Inner shell made from impact reducing moulded XL foam and reinforced shock absorbent sponge foam supports.
- Helmet used six vents for free flow air circulation so that, player will get refresh feel for long hours game play.
- Sweat absorbent fabric
- Hardened powdercoated steelwire faceguard grill with moulded earpiece so that player will get perfect protection.
- To offer better comfort, used shock absorbing material inside the shell which provide cushion inside the helmet for better feel.

CHAMP ELITE PRO

CRICKET HELMET

- Polypropylene outer shell – because of its high flexural strength gives tremendous impact resistance
- Polystyrene inner shell – because of good dimensional stability dissipates and absorbs shocks across the entire shell
- Strategically placed Ethylene Vinyl Acetate foam pads with ventilated airflows known for high durability and sturdiness.
- Ergonomically designed steel visor for maximum safety and individual personalised fit.
- Twin-featured inner fabric made of high sweat absorbing material with special mesh that assists in faster sweat evaporation
